Soft Drink Contract
National Radial Engine Exhibition
P.O. Box P
Akron, CO 80720

The National Radial Engine Exhibition has entered into a major sponsorship agreement with Pioneer Distributing Incorporated in Sterling, Colorado. Due to this agreement **all** vendors selling soft drinks including bottled water (exceptions include smoothies, shakes, malts, homemade lemonade and similar drinks) will be required to purchase all soft drinks for resale from the NREE Committee. By this process we will be able to limit the soft drink products sold to those products distributed by Pioneer, thus giving their products the exclusive exposure of the National Radial Engine Exhibition to fulfill the terms of our agreement. Any vendor who fails to adhere to these terms will be asked to stop operations and leave the NREE vendor area immediately. Below is a list of the products, the costs of those products, and the mandated retail price of the products. Thank you for your cooperation and we look forward to seeing you at the show.
